Re: Pearl Bahmer.

Interviewed Thomas M. Manucuso, brother-in-law of P. B. at place of his employment, 159 Burnet St., c/o Shapiro Bros. wholesale fruits and vegetables, regarding probable whereabouts and present address of P. B.

Said neither he or his wife May, who is Pearl's sister, have seen or heard from or of her since he moved from his then address, 159 Burnet Street to 24 Haydock St. Rahway, N. J., that she at this time made her home with him and wife for period of about two months, but that when he and wife moved to Rahway, N. J. 20 months ago, Pearl remained in New Brunswick.

Does not know with whom she took up residence following his removal. Says no members of family has seen or heard from Pearl since this time. Says father is living with Barney Burns at Scotch Plains, that he has never seen or heard from Pearl throughout this period of time.

Could give me no information or lead as to a possible connection with her.

Respectfully submitted,

Thomas L. Harrison.
